Forecast for Wednesday 19 May 2021

Weather: Mostly cloudy across the Aberdeen and Angus with rain and drizzle. Some bright spells across the Perthshire and Ochil hills, but showers developing during the day, these possible heavy and wintry over the highest summits.

Chance of cloud free mountain/hill tops above 800m: 30% rising to 60% in the afternoon.

Visibility: Moderate in rain or showers and poor at times in drizzle and at height, occasionally very poor over the summits. However, often good or very good in the afternoon and evening. Extensive cloud base 600 to 900m, the lowest cloud expected across the Aberdeen and Angus hills in the morning.
